♥ Wonderfully Made by God ♥

Genesis 1:21 | CSB

"So God created the large sea-creatures and every living creature that moves and swarms in the water, according to their kinds. He also created every winged creature according to its kind. And God saw that it was good."

AMAZING FACTS

God designed angelfish with tall, flat bodies to hide among coral reefs.

God gave angelfish long fins that help them swim, steer, and balance in the water.

As angelfish grow, many change colors and patterns.

NATURE NOTE

Scientists have discovered more than 85 species of marine angelfish!
